

UNDER NEW TITLE

The record suggests significant Communist infiltration of the organization under whose partnership Elliott Roosevelt was billed to speak, or that it is an old Communist front set up under a new title.

James Roosevelt is understood to have ended his allegiance to the Independent Citizens Committee when he was elected Democratic Party chairman in California. The ICC made a big [illegible] last March with announcements that Mr. Roosevelt would be director of organization in its drive to round up the independent vote. [illegible] was on the payroll at what his associate [illegible].

Mr. [illegible] was an independent Communist, big shot, [illegible] but he resigned last November, apparently because the organization was playing [illegible] with the Community party line.

Mrs. Roosevelt's experience with the fellow travelers was about like that of Mr. [illegible] which may be why [illegible] is so active in anti-Communist.

**MRS. ROOSEVELT SAYS
M'CARTHY IS MENACE**

What I think of Senator Joseph McCarthy was hardly by any means new Mrs. Franklin D. Roosevelt declared yesterday in answer to a question put to her after an impromptu address at City College.

"He is the greatest menace to freedom because he sneers openly at the highest President of the world," she went on. "Mr. McCarthy has played on our fears. He says the Yellows are going to take over the government. We should be able to say whatever we want to say and do."

Mrs. Roosevelt, a guest of the City College F. D. R. Young Democrats, spoke on "Our Place in the World Today" in the college's Great Hall, Convent Avenue and 115th Street.

Two thousand students listened as she described her feeling about Senator McCarthy, Republican of Wisconsin, after a City College sophomore, Hartley J. Chazen, asked her "opinion of McCarthy" in view of the Senator's attack on President Truman in a speech at the annual convention of the Marine Corps League in Savannah, Ga. Wednesday night.

"President Truman said some fighting things about the Marine Corps and urged them," Mrs. Roosevelt said, "but he did everything to make up for his mistake. Because of this the Marine veterans feel strongly against the President. It is a pity because the office of President should command respect."

Dr. Harry N. Wright, president City College, introduced the former President's wife to the students as "one of the great citizens of the United States."
